

## Health, Safety and Environment during SCOPE 2017

- Norwegian coastal administration has the responsibility to make sure no one gets hurt during this exercise.
- NCA has the coordinated responsibility for HSE as the principal company during an acute pollution incident. This also applies during this exercise.

## How do we intent to maintain HSE for the observers

- Risk assessment
- HSE handbook
- HSE personell dedicated to the observers program
- GUIDE's will follow the observers
- HSE in the SCOPE book

**SCOPE**

2017 Skagerrak Chemical Oilspill Pollution Exercise
